

We specialized in helping startups, get their business running quickly, profitably and effectively.

Established in 2010, **ESCOCHECKS** offer a suite of cost effective, on time and trustworthy business services to small and medium enterprises. These services include **Accounting and Bookkeeping, Payroll, Tax, Government Filings, and HR Management.**

Our **goal** is to eliminate the “administration” part of the client’s operation so they can focus on building their business and increasing sales.

The Escochecks team, each of whom has extensive experience in their field of expertise, prides itself on our responsiveness and attentiveness to each of our client’s needs. We deliver results using an outsourced model that greatly benefits the bottom line of our customers. Our success is reflected in revenue growth of over 500% in the last four years- through client referrals only!

Escochecks Inc’s founder, **Roy Escosar**, has a master’s degree in Accounting and Financial Management and more than 20 years of progressive experience across industries in accounting, tax, auditing, and operations management. Roy’s last position before founding Escochecks was as CFO of a production company in Burbank, CA with over 100 full time employees.
