## IN COLLABORATION:

## OUR FIRM

Escocochecks Inc. is a trust-driven accounting service company that offers payroll, accounting, HR and tax services with a personal touch!

Our industry is motivated by relationships to establish and build reliance among our clients.

Our team of experts comprises a minimum 5-15 years of experience in the field. Our job requires us to be responsive and attentive to our clients' needs and we deliver results. Our goal for them is to eliminate the administrative part of the business so that our clients can focus more on their business objectives and increase sales and productivity.

## OUR MISSION

Our mission is to eliminate the “**administrative**” part of our client’s operations so that they can focus on building their business and increasing sales.

## OUR VISION

To become a globally recognized brand in the areas of Accounting, Human Capital Management, Insurance, Payroll and Taxation

## WHAT MAKES US DIFFERENT FROM OUR COMPETITORS?

- Our dedicated accountants ensure clients are informed about daily financial transactions and proactively resolve any issues, providing peace of mind and exceptional service.
- Escocochecks Inc. is your partner for comprehensive financial solutions. With a holistic approach, we offer tailored strategies, consulting, and advisory services to ensure your financial reports meet all statutory requirements. Additionally, we enhance your productivity and success with customized management reports designed to meet your specific needs.
- Our company is committed to providing fast and accessible communication channels to address client inquiries and service requests, ensuring exceptional service is delivered every time.

## OUR SOLUTIONS

- **ACCOUNTING SERVICES** - Don't be concerned about the numbers and never-ending financial statements and reports. Our dedicated accountants are here to help you record all of your financial information so you can focus on making the best decisions for your business.
- **HUMAN RESOURCE** - Eliminate the headache of handling your day-to-day employment concerns and legislation compliance obligations. Our professional HR Managers are not only here to help you, but they also provide long-term practical solutions that are appropriate for your work environment.
- **PAYROLL** - Our Escochex Payroll Software gives you the control on keeping on top of your employee's salaries through Assisted Payroll which is designed and made with precision.
- **401(K)** - Escochecks Inc. 401(k) services, in collaboration with Human Interest, can assist you in administering correct and timely employee contributions on a regular basis, as well as keeping you up to date on changes in investment plan laws and regulations.
- **OUTSOURCED CFO** - Getting the chance to build a robust, three-statement financial model for your company has never been easier. With the help of Modeloptic, Escochecks Inc. can provide a comprehensive reporting system that can improve your company's performance internally and externally.
- **MEDICARE COST REPORT** - Escochecks Inc. will ensure that your Medicare Cost Reports are accomplished accurately and submitted on time so your business can receive reimbursement on schedule and use them to continue running your business smoothly.
- **WORKERS' COMP AUDIT** - To minimize and avoid "unnecessary" financial burden, Escochecks Inc. is here to assist you in ensuring timely and accurate delivery of your payroll compliance reporting by preparing your company's Workers' Compensation Audit requirements.
- **TAX PREPARATION** - Escochecks Inc. is proud to have over ten years of Tax Preparation experience. Our aim is to ensure that our clients' taxes are accurately prepared and submitted to the IRS on time, whether they are individual or corporate.
- **TAX RESOLUTION** - For numerous reasons, the IRS may find discrepancies with clients' tax return or tax status. With over ten years tax experience, Escochecks Inc. can assist you with resolving these issues.
- **BENEFITS ADMINISTRATION** - Escochecks Inc. offers company pay analysis using your payroll information and payroll data reporting. Through a pay wage analysis, we can help you access your current pay equity situation and prepare a 100% compliant payroll data reporting for you.
- **CALIFORNIA SECRETARY OF STATE BUSINESS REGISTRATION** - Coming Soon
- **INSURANCE** - Coming Soon
